## Objective

A committed graduate with a Bachelor of Engineering in Agricultural and Bioresources Engineering. Skilled in web design, SEO, academic research, and content creation, with a proven track record of enhancing online presence for various clients. Eager to apply my diverse skill set to contribute to projects that promote sustainability and digital engagement.

## Experience

- National Agricultural Seeds Council, Sheda, Kwali, FCT** January 2025 - Present  
NYSC Intern, Seed Coordination Department  
Collaborate with the Seed Coordination Department to oversee seed production and distribution processes.  
Assist in ensuring compliance with national seed regulations and quality standards.  
Engage in data collection and analysis to support policy development for the seed industry.
- GreenEarth Environmental Consult, Enugu** January 2022 - June 2022  
SIWES Intern, Environmental Engineering  
Assisted in conducting Environmental Impact Assessments (EIA), including data collection, field sampling, and report preparation.  
Supported environmental auditing processes and contributed to the development of Environmental Management Plans (EMP).  
Enhanced technical skills in data analysis, EIA methodologies, and environmental reporting.  
Improved communication abilities through client interactions and participation in stakeholder meetings.
- Self-Employed** July 2022 - Present  
Web Designer and SEO Specialist  
Designed, developed, and maintained client websites using WordPress, ensuring responsive and user-friendly interfaces.  
Implemented SEO strategies to enhance website visibility and search engine rankings.  
Managed multiple websites, overseeing content updates, performance optimization, and security measures.
- Igbo Archives** March 2024 - Present  
Chief Author and Blogger  
Authored and published articles focusing on Igbo culture, history, and heritage, attracting a growing readership.  
Conducted in-depth research to produce accurate and engaging content.  
Promoted content through various channels to increase reach and engagement.
- Freelance** March 2020 - Present  
Research and Project Writer  
Assisted final-year university students in developing and writing their capstone projects, ensuring adherence to academic standards.  
Conducted comprehensive research across various topics to support project objectives.  
Provided guidance on project structure, content development, and referencing.
